- Built - React Component for shobHobe UI
- Used Docz for component documentation

Education

❖ B.Sc. in Software Engineering, 2014 - 2018

Daffodil International University, Dhanmondi - Bangladesh
CGPA: 3.20

Projects

★ Footylight - Next Js • Context • Hook • Material UI

FootyLight provides football contents like: livescore, highlights, news, podcast. FootyLight connects you with most current European Football matches. You can enjoy constant livescore feeds, Full game reviews, and Highlights from all around the world.
Live Link: https://rb.gy/g68ef7

★ Responsive Template - SASS • Advance CSS3

I created this responsive template without using any kind of framework. I have implemented advanced features like Grid, Modal, and Animation through CSS.
